

Good Practice Policy Examples

Targets and planning

GPE14 (/en/policy/guide/buildings/policy_examples/14/)	Sustainable urban district development: demonstration project Hannover, Kronsberg Type: Energy-efficient spatial planning and urban district planning	Germany
GPE30 (/en/policy/guide/appliances/policy_examples/30/)	Curve Breaker Agreement Type: Voluntary Agreements with commercial or public organisations	Denmark

Infrastructure and funding

GPE19 (/en/policy/guide/buildings/policy_examples/19/)	Energy Efficiency Utility Program of Vermont Type: Energy efficiency funds	United States
GPE42 (/en/policy/guide/buildings/policy_examples/42/)	Energy companies' efficiency efforts Type: Energy saving obligations for energy companies	Denmark
GPE51 (/en/policy/guide/buildings/policy_examples/51/)	Energy Efficiency and Demand Side Management Incentive Program Type: Feed-in-tariff for certified energy savings	South Africa

Eliminating distortions

GPE46 (/en/policy/guide/buildings/policy_examples/46/)	Tokyo Emissions Trading System Type: Energy/CO ₂ taxation and emissions trading	Japan
--	--	-------

Regulation

GPE26 (/en/policy/guide/buildings/policy_examples/26/)	Regulations for Energy efficiency of building design and operation in new and refurbished buildings Type: Minimum energy performance standards (MEPS)	China
--	---	-------

Transparency and Information

GPE23 (/en/policy/guide/buildings/policy_examples/23/)	Building Energy Rating Type: Mandatory energy performance certificates & equipment labels	Ireland
GPE41 (/en/policy/guide/buildings/policy_examples/41/)	Energy Guides Type: Energy advice & assistance during design and construction	Germany
GPE27 (/en/policy/guide/buildings/policy_examples/27/)	Local Energy Information Centres Type: Provision of information	France
GPE40 (/en/policy/guide/buildings/policy_examples/40/)	co2online Type: Provision of information	Germany
GPE31 (/en/policy/guide/buildings/policy_examples/31/)	Mission E – Energy Efficiency, Savings, Emissions, Commitment Type: Feedback and measures on behaviour	Germany

Incentives and financing

GPE45 (/en/policy/guide/buildings/policy_examples/45/)	Energy Revolution Type: Financial Incentives for ULEB and deep retrofits	Cuba
GPE43 (/en/policy/guide/buildings/policy_examples/43/)	Incentives and measures to promote Solar Water Heating in Barbados	Barbados
